

# RÖMATEC

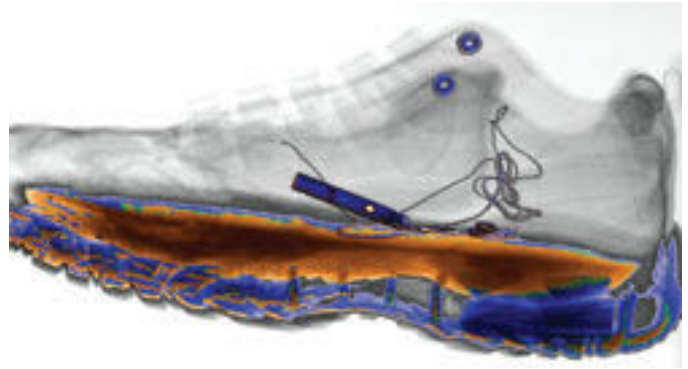

Service-Zentrum und Handelsgesellschaft  
für Röntgentechnik in Industrie und Forschung

## Dual Energy

**Don't be colour-blind and miss explosive material!**

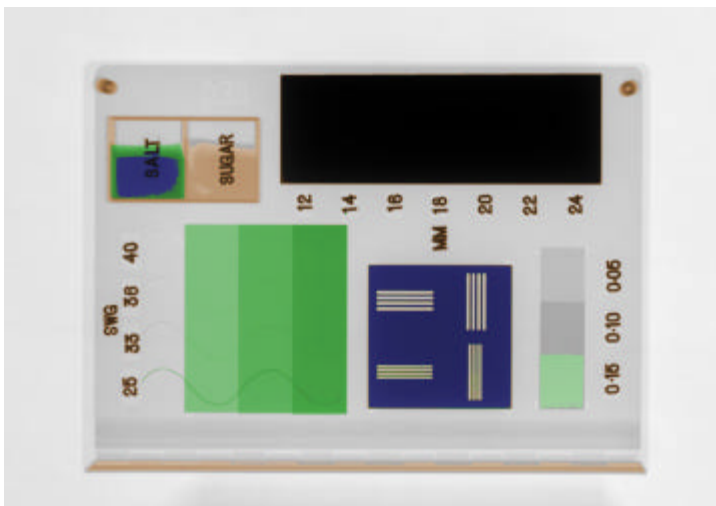

*normal s/w X-ray image*

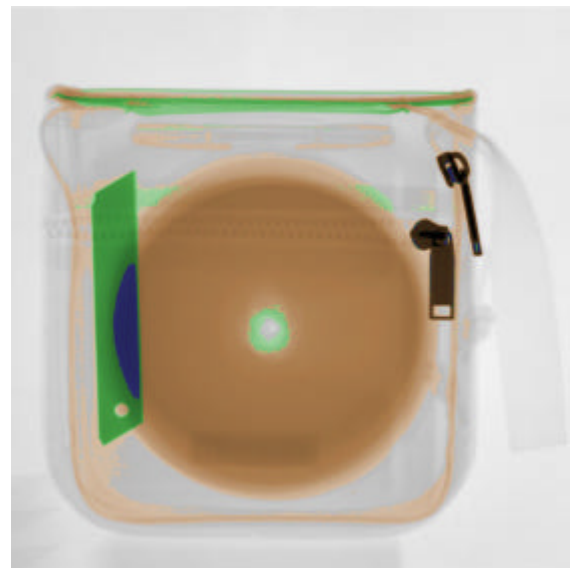

*X-ray image with Dual Energy*

***Take the Guesswork out of X-ray imaging***

- The first battery operated portable Dual Energy system
- Automatic software designates organic and inorganic objects
- Dual Energy split screen image viewing
- One approach
- No mechanical filtering

*Test compound of the aircraft industry for dual systems*

*„Cutter“-blade, hidden in a CD bag*
